To assist with a valuable probationary judging process, please discuss the following points with the probationary judge throughout the process, encouraging the person to comment on the ponies in the class to assist with your assessment of their skills and knowledge.

Understanding conformation and type

1 (a) How did the probationary judge comment on **conformation** of ponies presented? Was there a reference to the Standard of Excellence?

(b) How did the probationary judge comment on **type** relevant to ponies presented?

(c) How did the probationary judge comment on **movement** of ponies presented?

Understanding of Show Regulations and Judges Rules

2. How did the probationary judge demonstrate their knowledge of the Show Regulations and Judges Rules? Please give an example.

Explanation and Rationale for Placings

3. Explain how the probationary judge placed the animals presented and comment on how they justified the decisions.

Awareness of Risk Management obligations and implementation of safety measures.

4. How did the probationary judge demonstrate their ability to manage the ring and identify any risk management issues? Were any concerns noted relating to the probationary judge's capacity?
5. Do you have any other comments in respect to the performance of the probationary judge?
6. Do you have any feedback that you feel may assist the probationary judge?

**Please ensure all sections are completed and the report is posted or
emailed by yourself to the WPCS Australia National office**
