From the Chairperson

THE WELSH PONY & COB Society of Australia 2026 National Conference, incorporating the Annual General Meeting, Awards Dinner and Judges & Enthusiasts Seminar, was held on 20–21 June 2026 at Rydges Gold Coast Airport, Coolangatta, Queensland.

The Conference brought together breeders, exhibitors, judges and members from across Australia, providing an opportunity for Welsh breed enthusiasts to learn, share ideas and enjoy each other's company.

Saturday's program featured an outstanding line-up of guest speakers. Ash and Scarlett Porter opened the day with an informative presentation on show preparation, followed by Dr Macada Roebig BVSc, who spoke on Understanding Queensland Itch. Australian Olympic eventer and medallist Shane Rose then captivated attendees with his presentation, The Olympics, Resilience and Elite Horsemanship, sharing insights from his remarkable equestrian career.

The Annual General Meeting was held in the afternoon. Members considered a special resolution to amend the Society Rules relating to the discipline of members. The resolution was passed by the required majority, resulting in the addition of the provision that a member who "has been charged and convicted of any animal cruelty" may be subject to disciplinary action under the Society Rules.

The AGM also marked the commencement of Dudley Newham's two-year term as Society President, while Janet Murphy was announced as President-Elect. Members also acknowledged and thanked retiring President Janet Evans for her dedicated service and leadership.

Following the AGM, delegates enjoyed time to socialise before the Awards Dinner. The evening featured a delicious meal, an entertaining "Calcutta" horse race, presentation of the Achiever Awards, the Dinah Creswick Breeders Trophy to Helen Dohan of Woranora Stud, and the National Sire Ratings Medals.

Left: Sam Smith (COM / Conference Coordinator) and Janet Murphy, President-Elect 2026-28, with her sire rating certificate for Waxwing Peru (Imp UK) - National Section B winner. Right: Dudley Newham, Society President 2026-28, with Olympic rider Shane Rose, who was a guest speaker at the Conference.

A charity auction of generously donated and highly sought-after items proved to be another highlight of the evening. Expertly conducted by auctioneer extraordinaire Lexi Cesnik, the spirited bidding created plenty of fun while raising valuable funds for Society programs. Sincere thanks go to the members and businesses whose generous donations made the auction such a success.

One of the major highlights of the Conference was the Judges & Enthusiasts Seminar held on Sunday. The presenters and topics included:

- Sue de Crespigny – Judging Saddle Classes
- Ash Porter – Judging and Type
- Kym Shingleton – Show Regulations Quiz
- Lexi Cesnik – Social Media Insights
- Helen Dohan – Navigating the Judges Panel
- Jenni Cesnik and Fiona Forge – The Growing Problem of Overweight Ponies.

Drawing on their extensive experience in breeding, judging and competition, the presenters shared practical knowledge and encouraged lively discussion and audience participation throughout the seminar.

The Society extends its sincere thanks to the organising committee, presenters, volunteers and everyone who attended and contributed to the success of the weekend. Hosting the Conference on the Gold Coast provided Queensland and Northern New South Wales members with the opportunity to enjoy an informative, engaging and enjoyable event closer to home.

President Elect Janet Murphy

I AM SO HONOURED to have been asked to be President-Elect of the Society. I believe the Welsh Pony & Cob Society of Australia is the best breed Society in the world and becoming a member over 40 years ago was one of the best things I have ever done. The Society has given us so much. It and the ponies have introduced me and Chris to a wonderful group of friends across the globe and at home and had us travel to places we would never otherwise have visited.

Having had and worked with many breeds over the years, there is no doubt in my mind that the Welsh breeds stand apart for their charm, personality, beauty and versatility – but perhaps I am a little biased. While many older and bigger breeders are slowly fading away, we must do all we can as a Society and as members to ensure that Welsh ponies and cobs continue to flourish and be the number one choice of breed for future generations.

I look forward to the next two years as President-Elect and wish all members and their ponies the very best.

WELCOME to the 2026 Spring edition of Action! The Royal Welsh Show at Builth Wells took place in late July, and the live coverage available to everyone always reminds us that spring is just around the corner and another exciting season is about to begin with ponies emerging from their winter warmth.

Inside, you'll also find reports from the Annual General Meeting and Conference, complete with photos. It was a fantastic weekend filled with informative presentations, plenty of laughter, and wonderful opportunities to catch up with friends and fellow members. Thanks to all who helped and attended the weekend, and special thanks to those who donated items for the fun auction.

We're delighted to feature our Achiever Award winners - congratulations to all the members and their horses and ponies who continue to demonstrate the incredible versatility of Welsh Ponies, Cobs and Part Welsh across so many disciplines.

Congratulations also to Helen Dohan, Woranora Stud (NSW), recipient of the Dinah Creswick Breeders Trophy for 2025–2026. The award was based on points earned at the 2026 New South Wales All Welsh Show.

This issue also includes the updated Society Social Media Policy and General Code of Conduct. These, along with all Society policies and codes, are available on the Society website for members to access at any time.

Be sure to read the informative articles from the wonderful Dr Burks of Fox Equine (USA), one with valuable insights into effective worming strategies and why they're so important for maintaining equine health, and the other, with detailed information about the serious condition, NeoNatal isoerythrolysis.

We hope you enjoy this issue. Wishing everyone a wonderful start to spring, along with a safe, successful and rewarding foaling and show season!

Michele Baker

CHAIRPERSON'S REPORT 2026

Dear Members,

Thank you for attending the 2026 Annual General Meeting today. I hope you have enjoyed this morning's speakers and the opportunity to catch up and socialise with fellow members. With the Awards Dinner this evening and the Seminar tomorrow morning, it promises to be a full and enjoyable weekend.

The past year has been challenging for many members, with the fuel crisis adding to increasing financial pressures affecting both individuals and organisations. Sadly, some members were impacted by bushfires, but it was heartening to see the support and assistance from members at such a difficult time. Hopefully, the coming seasons will bring improved conditions for all states.

Membership numbers have decreased slightly during the year, and registrations have also shown a decrease. The Society remains in a strong financial position, thanks to careful and responsible financial management in challenging times. Detailed reports will be presented during this meeting, with the Financial and Editing Reports included in your folders today. All reports will also be published in the Spring edition of Action.

The Annual Australian Welsh and Part Welsh Ridden Championships Final was held in March at Tatura, Victoria. The event incorporated the Mini Championships and the Show Hunter Showcase as well as the new Show Pony / Horse classes. The quality of exhibits was exceptional, with outstanding ridden animals competing across all sections. Thank you to the coordinators, volunteers, and members whose support makes this exciting event possible. The ARC competition continues to generate interest in Welsh Ponies, Cobs, and Part Welsh exhibits. Generous sponsorship and support from members and businesses are vital to the success of this event and is very much appreciated.

The Welsh National Show again hosted the National Young Judges Competition. Congratulations to the winner, Alice Mooney, from Victoria, and to all competitors who qualified and participated in this important event. The competition is a stepping stone towards considering the Judges Panel and the knowledge and enthusiasm of entrants is a positive sign for the Society in the future.

At this evening's Awards Dinner, we will celebrate the recipients of the Achiever Awards, Society Medals, Sire Rating Awards and Dressage Medals. Thank you to Keyi Stud for sponsoring the Sire Ratings and to Mithril Stud for sponsoring the Dressage Medals, which recognise achievement in an increasingly competitive and growing discipline.

With twice annual Online Auctions held, the Autumn auction had a smaller selection of quality animals entered with an approximately 50% sales achieved, including several in the weeks following the auction. These sales have resulted in new members joining both the Society and the Welsh breed community, as well as promotion of the breed through the advertising associated with the auction which benefits all breeders and vendors. Thank you to members for supporting the auction, and congratulations to all successful purchasers.

The annual Committee of Management election process resulted in the six retiring committee members seeking re-election. As no additional nominations were received, a ballot was not required. I encourage members to consider standing for the Committee in the future. It is an interesting and challenging role, providing an opportunity to contribute to the Society's administration, ongoing success, and most importantly, preserving the Welsh breed for the future.

The 2026 Society Journal will be arriving in letterboxes soon. Thank you to Journal Editor Helen Dohan and her team of dedicated helpers. Producing the Journal is a significant undertaking that requires many months of work, considerable personal commitment, and countless hours of effort. Members can look forward to another outstanding edition featuring educational and engaging articles, as well as records of events and activities from the past year.

Special recognition must also go to Society Typesetter Chris Milvain, whose skill and meticulous attention to detail continue to ensure the Journal remains a publication of exceptional quality. Thank you to all members who contribute through advertising and articles, and to the photographers who generously provide high-quality images at no charge.

Society President Janet Evans and President-Elect Dudley Newham have supported the Society in numerous ways throughout the past year, while Society Patron Suellen Deane has also attended events and provided valuable hands-on assistance. Thank you, Suellen, Janet, and Dudley, for your ongoing commitment and support. Today we will announce the president-elect for 2026 -2028, and welcome Dudley to the role of President for the coming two years. Many thanks Janet for your support over the past two years.

My sincere condolences to members who have lost family members or friends during the past year. During difficult times, the companionship of ponies and the support of good friends can provide great comfort.

Special thanks must also go to our wonderful office team—Office Manager Gabi, along with Malanie and Lynda. They work tirelessly, often under considerable pressure, yet always remain ready to meet challenges and assist members with professionalism and enthusiasm.

Finally, my sincere thanks to the Committee of Management, Regional Promotional Groups, sub-committee members, and all volunteers and helpers for their dedication and contribution throughout another successful year.

Thank you to all members for your continued support of the Society. I wish you all the very best for the year ahead.

Thank you

Michele Baker

EDITING CHAIRMAN'S REPORT 2026

As Chairman of Editing, I am pleased to report that during the last financial year (01/04/2025 – 31/03/26) a total of 1,246 animals were recorded in the Society's Stud Book Data Base. This comprised 94 Welsh Stallions, 284 Welsh Mares, 219 Welsh Geldings and Part Welsh comprising 24 PW Stallions, 229 PW Mares and 188 PW Geldings. Foal recordings for 156 Welsh colts and 52 Part Welsh Colts were received. Of interest is the fact that while Welsh registration numbers decreased, Part Welsh numbers increased a reversal on the 2025 trend.

In addition to these registrations, 56 Leases and 1072 Transfers were processed, a slight decrease again on the previous year.

The graph below shows year by year completed registrations for easy comparison.

	2022	2023	2024	2025	2026
Registrations	1218	1424	1388	1410	1246
Transfers	1212	1226	1206	1186	1072
Leases	84	84	64	62	56

	2023	2024	2025	2026
Welsh (Pure & FS) registrations	907	866	933	753
Part Welsh Registrations	517	522	477	493

During the reporting period, 3 Welsh ponies were imported into Australia from the UK, all Stallions. One Part Welsh Gelding was imported into Australia over this period, from New Zealand.

One Welsh Mare and two Part Welsh Mares, were exported to New Zealand over this period.

Over this period 36 Part Welsh progeny were registered out of Welsh mares. There were 4 Welsh foals registered that were conceived by frozen semen this period; 2 Colts, 1 Mare and one Gelding, all using UK semen.

The most important duty of the Society is to ensure the integrity of the Studbook. As discussed at the Annual General Meeting in 2024, the Society is committed to the introduction of a DNA database for Welsh mares. Such a database has existed for many years for Welsh & Part Welsh stallions. This was to be phased in beginning with Welsh mares that produced their first Welsh foal in the 2026 season but due to the weather and financial conditions throughout Australia this has been deferred until 2027. I would like to thank those members who have voluntarily begun to DNA type their mare in anticipation of the future implementation.

All registrations are required to be submitted to the Editing Sub-Committee for final check prior to release and Members need to be mindful of peak busy periods. Registrations will be delayed over the Christmas holiday period when the office is closed and when foal registrations are flooding in before shows. Things that regularly delay processing include when details of the parents have changed (it is important to update any colour changes), service certificates not submitted or service dates not included on the registration application (service certificates are only required where the breeder did not own the stallion at the time of service), the need for DNA parentage verification where the foal was conceived by artificial breeding (AI, ET, ICSI), where the dam is not recorded at the time of birth in the name of the breeder and where markings are not drawn and described or not drawn accurately. Clear photos are accepted in lieu of drawn markings but they must show the markings from each side, front and rear as well as the face front on and the lip/chin area. Members are also welcome to email all registration paperwork to the Society; this avoids potential delays in the postal system. Foals are required to be registered with a registration number issued if they are to be shown once they are 5 months of age, the increase in age from 3 to 5 months as from 1st August should assist breeders who will now have a bit more time to submit registrations.

I would like to thank our wonderful ladies in the office for always attempting to assist members with problems. Lynda Busuttil is a wonderful Registrar and the Society and members are very fortunate to have her. Lynda is backed up by Gabrielle and Malanie in the office both of whom are also always happy to assist members with problems. The Registry Sub-Committee consisting of Michele Baker, Gary Le Brocq, Kathryn Mitchell and myself have worked very well as a team assisted by Lynda during the year and must be thanked for their integrity and professionalism when often assisting members to resolve difficult situations.

Ms Helen Dohan

Editing Chairman 2026

WP&CSA FINANCIAL REPORT 2025-2025

GOOD AFTERNOON, Everyone. I will now present to you the Welsh Pony & Cob Society of Australia's Financial Report for 2025-2026. The reports in your pack are a combination of the audited Society Annual Financial Reports prepared by the Society's Accountant, Pakenham Taxation & Accounting, the Independent Auditor's Report from the Society's Auditor, Mandor Pty Ltd and the individual profit and loss statements for the National Office and Regional Promotional Groups (RPGs) and Working Parties. My apologies for a briefer than normal report, but due to unforeseen circumstances the accountants were unable to return the financial documents until Friday afternoon, not leaving much time to deeply analysis the trends of the Society finances for this report.

The Society's income for the last financial year was $874,325, while the expenses were $865,609, totalling an operating profit of $8,715.79. The National Office operating profit is showing as $8,145.08, however, this is not an accurate reflection as $11,000 was transferred from two RPG accounts to the National Account and is shown as income but this money was in transit from the RPGs' accounts to a Term Deposit account. This was due to the decision being made to create a Combined RPG Term Deposit. This Term Deposit is a combination of funds taken from two RPGs that are currently inactive, Queensland S & F and Tasmania. Small amounts of cash were left in these accounts in the event that these groups become active before the Term Deposit was due for rolling over. The interest earned on these funds will benefit the National Office, however, the initial amounts will be returned to the RPG accounts when they again become active. This income amount is not offset by an expense in the Profit &Loss (P&L), thus the National Office should actually show a loss of $2,854.92. To add further insult to this loss the P&L shows an extra $10,000 in the RPG non-trading operations transfers GL code as the timing of the second Surplus Term Deposit roll over did not coincide with the deadline of an Action printing invoice and $10,000 was 'borrowed' from the VAWS account to ensure the payment was made by the due date. Once the term deposit funds hit the National Office account this money was returned to the VAWS account, however, this occurred after the end of our Financial year. What this does mean is that the operating loss of the National Office should actually show as $12,854.92.

The Society's four main sources of income, membership, registration fees, prefix and brands and transfers and leases, all suffered reductions this year. Membership has reduced from $181,055 to $174,164 and registration from $66,534 to $59,971. That is over $13,000 less income in just two income sources. To countetact the reduced number of members and the reduced number of registrations to be processed it was decided to reduce the operating hours of the National Office by just 30 minutes a day. This small adjustment to staff wages will counteract these income reductions.

In good news, as at March 31 2026 the Society had net assets totalling $1,476,695 and liabilities of only $4,157. A significant part of the net assets is our cash holdings, both RPG accounts and term deposits and the National Office term deposits. Our passive income from our investments continues to be excellent due to the favourable interest rates. Bank interest totalled $20,965 this financial year as we opened a second National Office Surplus Term Deposit for $50,000 and made that decision to create a Combined RPG Term Deposit. In the financial documents the Pakenham Factory that we own is shown as having a value of $293,999, however, it was recently valued as nearly double that amount.

The Society publications, being the quarterly Action magazine and the annual Journal, have not been supported as well by members this year, with advertising income decreasing from $38,358 to $25,467, while the costs for typesetting, printing and posting of both publications increased from $81,917 to $86,295, which was largely due to

Australia Post rates increasing significantly and printing costs increasing. To counteract this loss going forward the decision has been made to only print and post three editions of Action with the fourth edition being bigger and full colour but only available in soft copy.

A copy of the approved National Office Budget for 2026 – 2027 is also in your pack and was published in the winter edition of Action. A small profit has been anticipated, however, a conservative approach has been taken towards available income for the coming year and reductions made where possible for the anticipated expenses. Sadly, a lot of the expenses are not able to be reduced as they are the running costs of the National Office. The Society's savings and assets put us in a solid financial position and with continued drive to encourage membership and registrations our income may exceed our current projections, which will enable the Society to maintain this position moving forward.

I would like to thank Malanie Young and all the RPG and Working Party treasurers for their contribution over this past year. We are extremely appreciative of the contribution you make to the success of the Society. Finally, thank you to the Finance Committee, Wendy Trimble, Fiona Forge and Jenni Cesnik for their teamwork throughout the year!

Kym Shingleton Finance Chairperson

WELSH NATIONAL SHOW
Stable Cleaning

The Welsh National Show Working Party is looking for any form of workforce eg volunteer group, group of friends or an individual that will be willing to clean stables after our show in March 2027.

The workforce that we have previously used have proved to be unreliable so we are now looking elsewhere.

The remuneration will be based on what we get paid by competitors ie $50 per stable. In March 2026 we had to have approximately 50 or so stables cleaned after the show.

If any member knows of any group or individual that would be willing to assist with this please contact :

NEWS from the WPCS New Zealand regarding FS stock from Australia

AUSTRALIAN FOUNDATION STOCK (FS)

In June 2026 Council decided that Australian Foundation Stock (FS) would be accepted for Purebred Registration in New Zealand.

Australian Purebred Animals with FS history will be kept in a separate Register from the WPCSNZ Purebred Studbook that the Society has built for the last 60 plus years.

There will be a separate WPCSNZ Australian FS Purebred Register.

Any purebred offspring bred in NZ from any purebred with Australian FS in their pedigree will only be recorded in the WPCSNZ Australian FS Purebred Register.

All current WPCSNZ Regulations will apply pertaining to the import, the registration of, and the registration of offspring of Australian animals with FS history.

Hi girls, Well done, the Journal is terrific. Anthony and I received ours yesterday and have not been able to put them down.

A great production, varied content, fabulous photos, very attractive advertisements, looks good and feels good. Thank you so much for all that you do to bring this world class production to our members and others. You do the Society proud.

Yours truly

Suellen

Good morning

I wanted to extend my appreciation to all the team for featuring my story in the new journal. It means a lot to me and also the greater OT community who have felt so alone with this condition until now.

Having this published spreads much needed awareness for OT but also an understanding for those who have limitations we may not always see.

So thank you so much, Regards

Kylie Humphreys

The story is on Page 75 of the 2026 Journal.

ERRATA - 2026 JOURNAL & WINTER ACTION 2026

Action Winter 2026 No.196 page 16 incorrectly listed the dam of the taller mare. The correct name and breeding of this Part Welsh mare is *TEGWEN DESTINY'S LOCKET S: Cwmkaren Riley Express D: Kelly's Destiny ROS-22485.*

PRODUCING THE JOURNAL ***is truly a labour of love. It represents countless hours of work by our dedicated volunteers, who generously give their time to bring everything together. We are incredibly grateful for their commitment and enthusiasm.***

Despite everyone's best efforts, the occasional error can slip through. If you notice anything that needs correcting, please let us know. We'll publish any necessary corrections in the next issue of Action.

Ponies missing from VAWS results

Fran Langley of Stormview Stud contacted the Office and noted that her ponies are not shown in the results for the Victorian All Welsh Show published in the 2026 Journal.

Page 340: 2 year old Section A Led Gelding - *Stormview Tanwyn* came 4th and *Stormview Leroy* came 6th. Page 343: Led Welsh Hunters, Filly/Gelding Section A 3 years & under - *Stormview Tanwyn* came 6th.

Sire Rating Results

Keiley Bell called to advise that the sire rating for this pony in the Journal says *Brampton PARK Prince Of Thieves* but it should say ***BRAMPTON PRINCE OF THEIVES***. He placed in the National Performance Sires Ratings, and in New South Wales and Queensland.

This has been corrected in the Sires Ratings Results printed in this edition of Action.

Ballarat & Central Highlands RPG List

Entries for **Zander McGuire - Lexus Lodge** and **Drew McKinlay - Willowdale Stud** were omitted from the list published in 2026 Journal on pages 318 & 319.

The corrected list is reprinted in this edition of Action.

Hi,

Just a quick comment on some incorrect results published in the last Action magazine.

I attended the Welsh National Show at Tatura earlier this year and was extremely pleased with my Section A Broodmare *Snowdon Vale Chocolate Eclair* receiving 2nd in her class. This was however recorded as 3rd in the Action magazine results. The foal was correct with *Deejay Hot Chocolate* receiving 3rd.

I know it's not a Champion or a Supreme award but to us it actually was.

Can this please be corrected for Journal results.

Thanking you

Lisa Rasmussen

The Dream continues with 'Rex'

WE ALL HAVE PLANS when we buy a pony, but I couldn't have begun to dream of the journey which *Westbury Sybil's* bay colt *Westbury Spitfire* has taken us.

Having always admired *Sybil*, when I saw her six months colt by *Llanina Merlyn (Imp UK)* at foot, I bought him from Stephen and Jane Wiltshire. I planned to have him gelded to make a saddle horse for my son Paul, who was returning to riding as an adult and finding the ponies rather too small. But by the time '*Rex*' was old enough to ride, Paul's work commitments had changed and he no longer had time to put into a youngster. Fortunately, we hadn't found a reason to geld *Rex*, and he had covered a couple of mares as a three year old.

I took him to Tatura to Norm Clark who started him under saddle, then rode him at his first outing, the APSB show held at Oxley on the March long weekend. *Rex* behaved as if he had seen all this before, and stayed calm and attentive all day.

With no rider available at home, I approached Kristy Sparkes to see if she would bring him along with some regular rides. What an inspired choice that was! Kristy loved working with him, and we decided that we would share his ownership - and began to dream of a future in Pony Dressage for him.

Chris Milvain

STARTING WITH REX at rising four year old, we began working together to develop him 'hopefully for Dressage With The Stars' (DWTS). In those early years of Pony Dressage, the classes were run as 'Material Classes' - where a panel of judges assessed them led for conformation and suitability, as well as the ridden test. The score for ridden was good, but the led judges were unimpressed. We were disappointed with the assessment, but not with Rex, so training and competition went on. He was kind, soft and trainable and very consistent in his work ethic. He averaged respectable scores.

Over the winter he competed in Preliminary and then Novice with great scores and once again consistency. During those early years we showed at the Welsh shows including at Barastoc where he excelled in working Hunter, Ridden Welsh Hunter and Ridden Welsh with multiple championships. He won the performance pony class at Barastoc, which included a led class, show jumping and dressage.

He safely carried me through Elementary while I was pregnant, always reliable and true. As a stallion he was and is the epitome of good manners so in my late pregnancy he was piloted by my friend Christiane to help her get her confidence back, They won many championships in Horse Riding Club Association of Victoria (HRCAV) showing.

Rex learnt flying changes easily, he'd happily have counter-cantered all day but once he got it all was good and we progressed into Medium and Advanced dressage.

Cross training was very important and he proved that he could do anything from cross country training, show jumping, to handy mount classes. He won a few of those at Welsh shows like the BACH Pony Pageant. He loves a hack out, isn't spooky or silly and will literally go anywhere bravely including down main roads beside trucks.

His work ethic is second to none, he never ever said no, he only asked if he had to keep going. In pure pony style, he made me work hard to keep him forward - at times I came out of tests more sweaty than he did. Once I worked out how to ride better and with greater clarity of aides, we tapped into his real potential. Piaffe and passage were a bit of a party trick and he really came alive in FEI.

Very few ponies were competing at the higher levels so he was against many quality horses. Highlights were winning the Intermediate B at the Victorian Dressage Festival and second in the Intermediate A over a quality field. In Big Tour he won many championships over the horses and eventually won Australian National Champion Grand Prix Pony, placing fourth against the horses.

Rexy had proven himself over and over so at 16 it was time for a slower life. The kids ride him, taking him cross-country riding and he generally just tinkers along enjoying life. At the start of this year he competed in his first EA horse trials 65cm which he won, carrying me as if he'd done it his whole life.

He now gives schoolmaster lessons twice a week to people of all abilities. His tolerance and generosity is a beauty to behold. He has a fan club everywhere he goes and his progeny are becoming well sought after as well.

Hopefully next year when my daughter reaches 18, he can carry her in her first EA Medium test and we'll see what happens from there ...

Social Media Policy

Rationale

SOCIAL MEDIA PLATFORMS have become powerful tools for communication, allowing individuals, groups, and organisations to connect and share information without the limitations of geography. These platforms include, but are not limited to, blogs, forums, networking sites, and video-sharing services. Content shared can take various forms - written, visual, or audio-visual - and has the potential to reach wide audiences instantaneously.

While the benefits of increased communication and engagement are significant, these platforms also carry risks. Misuse or inappropriate conduct on social media can have serious reputational, legal, and ethical implications for both individuals and the Welsh Pony and Cob Society of Australia (WP&CS of Aust Inc) as a whole. This policy provides a framework to guide responsible, respectful, and professional social media use within the WP&CS of Aust Inc community.

Purpose

ACHIEVER AWARD PONY CLUB

Photo: OzShots

BORDERSHOW *Red Velvet* is the only pony in Queensland to have qualified and competed at every one of the four Pony Club Queensland State Discipline Championship events, where they represented Zone 3. They were selected to represent Queensland at the Pony Club National Championships in Victoria for 13 & under dressage and tetrathlon. Laura was the youngest member on the Queensland state team of 38 athletes. In dressage, Laura placed fourth individually and her Queensland team of three riders placed third, while her Queensland Sub-Junior Tetrathlon team placed second.

Laura also competes on *Red Velvet* for Darling Downs Working Equitation and Tri Valley Working Equitation. She won the Queensland Best Junior 17 & under State Championship Award in 2025 (and 2024), also placing against adults in large preparatory classes of 20-25 riders: fourth at State Championships, second at State Championships Cattle Team, second Waterford HOTY, third Darling Downs HOTY, second Darling Downs HOTY cattle team.

Laura is a member of the Lockyer Equestrian Group and rides at their monthly dressage competitions: she was Reserve Champion Novice Junior 17 & under Highpoint award for 2025 on *Red Velvet* after winning the Preliminary Junior Highpoint in 2024.

Laura and *Red Velvet* may be the most successful pony club 10 & under combination in Queensland with his amazing temperament and versatility with wins in dressage, showjumping, sporting, gymkhana, tetrathlon and working equitation and places in jumping equitation, stockman's challenge and camp drafting. They are the only combination that has placed at all four State Championship Events: Dressage, Combined Training, Eventing; Sporting, Stockmans, Camp drafting; Showjumping, Jumping Equitation, and Tetrathlon. *Red Velvet* is a favourite at Laidley Pony Club, having been ridden by all the junior members when they have had trouble with their own ponies. He is quiet enough that the children can double dink on him in the river and Laura can stand on his rump and do backflips. He can gallop down the beach and even won a 12 & under barrel racing event! He does well at polocrosse - once he realised the ball was not edible …

Red Velvet does liberty: he will roll a giant ball with his nose or kick it forward with his knees. He will stand on a stool and pick up hats, water bottles or brushes. For working equitation, he had to be retrained to back through the gate as he will willingly open the gate with his nose (which is penalised) - however he has won the Queensland Junior Working Equitation State Championship two years in a row and always places in open competition. He has won numerous fancy-dress and freestyle fancy-dress dressage competitions with red capes flying and has show jumped covered in Christmas decorations.

Red Velvet will willingly try anything for Laura. In 2024 they were the youngest rider to complete the 77km two day Cobb & Co 100-year anniversary ride. He will try and jump anything, easily jumping 100cm and tries so hard in 6-bar competitions: tough when he is 12.2hh. He is talented, bomb-proof, kind and a real character.

ACHIEVER AWARD OPEN SHOW

2021 Part Welsh mare S: Royalwood Rossini (Exp NZ)
D: Kolbeach Chanting SOD: Fernleigh Fine Print

LIGHTLY SHOWN in her Newcomer Year, what a sensational start to her show career *Celeste* has enjoyed. Hitting the show ring with force earlier in 2025 she qualified for Grand National 2026 in both the Open and Childs classes gaining Champion in both classes at her first attempt. The second half of the year she was sashed Best Novice Pony at 2025 Adelaide Royal, also winning the Open Large Pony mare class, all at her first Royal Show appearance.

At both Equestrian South Australia Horse of the Year and Show Horse Council of SA she took home the flowers in both her Open Show Pony and Child's Show Pony events.

Having only competed at a handful of shows and never before being in an indoor arena, it was a big ask for her to represent South Australia to compete at the 2025 Equestrian Australia Australasian Show Horse and Rider Championships at Werribee in Victoria, but she brought home National Champion Child's Medium Show Pony over 12hh and ne 13hh, ridden by Shanae Richards and National Reserve Champion Medium Show Pony ridden by Margot Haynes.

Celeste's first year in her show career has been testament to the dedication and hard work put in by Lily's Stud, Mercedes Mathews, her Open class rider 2026 and Shanae Richards, her Child's class rider. This pony has given us all such a thrill. *Celeste's* breeder Elizabeth Tomlinson, Carlingford Park Stud, thank you for your support during a tough 2025, I am truly grateful to you for letting me purchase this very young pony to come to Lily's Stud to grow up in the Adelaide Hills where my ponies are kept as our family are farmers living at Ungarra, seven hours away from the 'Show Scene'.

SHOW HARNESS

2011 Part Welsh stallion S: Krystal Park Limited Edition D: Glenwood Silhouette. *Photo: Rodneys Photography.*

GLENWOOD *Special Effects* or *Tyson* as we call him is a 14 year old chestnut Part Welsh stallion. *Tyson* was bred, broken to harness and is trained by us. Both his dam *Glenwood Silhouette* and his sire *Krystal Park Limited Edition* were multi Royal Show champions in harness. As we have a large team of harness ponies to show, *Tyson* isn't shown constantly but at his last five outings, he has been Supreme Harness Pony or Exhibit.

His first Royal Show was Canberra Royal 2016 where he was Champion Driven Stallion. At Sydney Royal *Tyson* has been Champion Non-Hackney Horse or Pony Stallion or Colt five times and Supreme Champion Non-Hackney Horse or Pony twice. In 2025 he was also Reserve Champion Show Vehicle Turnout at Sydney Royal with 26 entries leading up to this championship. *Tyson* also goes in our Sydney Brass Sulky and was Reserve Champion Sulky/Buggy Pony at Sydney Royal in 2023. He is also a multi Agricultural and Breed Show champion in harness with many broad ribbons to his name.

Tyson has also won two WPCS Gold Medals for Supreme Part Welsh in Harness at the NSW All Welsh Show in 2024 and 2025. Our focus to date has been showing *Tyson* and so we have only bred one foal who is now a two year old Part Welsh filly. *Tyson* is a much loved pony and we are very proud of all he has achieved for us. There is never a dull moment when he is around keeping us all entertained with his antics especially around feed time as he is always starving.

ACHIEVER AWARD
INTERSCHOOLS

2011 Gelding of Section D breeding S: Fleur de lys Alladdin D: Fleur de lys Amy SOD: Fleur de lys Hamish. Photo: Shelle Smith Photography.

KAEWING MAXIMUS (*Max*) is a highly deserving recipient of an Interschool Achievers Award due to his outstanding versatility and the consistent level of performance he delivers year after year. As a Welsh Cob, *Max* continues to demonstrate just how adaptable and capable the breed is, competing successfully across dressage, show riding, combined training, eventing and showjumping up to a National level.

What truly sets *Max* apart is that his success is not a one-off. He has performed at this level consistently over multiple seasons, and 2025 marks his third year competing at a national level with Charlize. Together, they have built a genuine partnership that has produced reliable results across a wide range of disciplines, even in the high-pressure environment of national championships.

In eventing, showjumping and dressage, *Max* is a steady and trustworthy partner, giving his rider confidence and producing polished performances. This foundation translates seamlessly into the show ring, where he has become a standout competitor.

As a hunter, *Max* is known for his rhythm, manners, and correct way of going, presenting as a genuine all-round pony every time he enters the ring. His ability to move between disciplines and maintain such a high standard speaks volumes about his temperament, work ethic, and willingness to please. At a national level, *Max* was crowned National Champion and was also one of the highest-scoring horses across all show riding disciplines, an achievement that highlights both his quality and consistency.

Beyond the results, *Max* plays an important role in developing his rider's skills, confidence, and versatility. His consistent success, longevity at national level, and exceptional versatility make *Kaewing Maximus* a truly deserving Interschool Achiever.

MORWYNT Remembrance

ACHIEVER AWARD SHOW JUMPING

2018 Welsh Pony mare S: Bamborough Othello D: Morwynt Rapture SOD: Bellbrae Pageboy

MORWYNT REMEMBRANCE (*Remi*) who is a seven-year-old mare, started out with our family as a green pony who had not done much with her previous owners.

When Remi came to us, this little duo started with Wanneroo Horse and Pony Club where she was shown a lot of new things for a baby pony (she was rising four) and had some baby moments in the beginning. Since then, she has grown into a lovely pony who now has a real passion for jumping.

This pony tries her heart out at anything Kaleesi points her to. She loves going on trail rides around the suburb where we live. Tries her best in every discipline Kalessi points her to be it jumping, dressage and she loves a good cross-country course. Point *Remi* to a jump arena and she just shines and shows everyone what a great, versatile breed the Welsh Bs are. They started their journey just over four years ago and have just gotten stronger.

Kaleesi, now 13, has done most of the training with *Remi* on her own and this bond shows at every competition. *Remi* and Kaleesi are currently competing successfully in 60/70cm and with the right guidance will move to 80cms in no time.

Kaleesi and *Remi* love to enter all pony club competitions and 2026 will be their second year competing at the Pony Club State Show Jumping. They come away with plenty of placings at every competition, but it is their love for the sport and discipline that always puts a smile on Kaleesi's face and treats in *Remi's* belly.

This pony has a heart of gold and always makes sure her rider is safe over every jump whether it be in an arena or out in cross country. We are very proud of *Remi*.

NILTON Zlatan

ACHIEVER AWARD HRCAV SHOWING

2013 Part Welsh gelding S: Bamborough Academy D: Nilton Spice SOD: Calwalla Colours

NILTON ZLATAN, affectionately known as *James*, has been a late starter to the performance stage. Beginning his saddle career as a trail pony undertaking hundreds of kilometers all over Victoria, from the high country trudging through snow to the beautiful beaches of South Gippsland.

James debut to the show ring began in the Horse Riding Clubs Association of Victoria (HRCAV) starting in Level 4 at his first competition and coming home with the highpoint. Improving with every ride he easily moved up to Level 3, winning consistently at many HRCAV shows. He ended up the year by finishing ninth in the top 10 of HRCAV showing in Victoria.

James pointed up to Level 2 at the start of this season at his first show back, which meant that we rode at Top Team Trophy (TTT) HRCAV showing in Level 2, winning our first class and bringing home another two third placings, helping our team finish fourth overall.

Entering his first open competitions including the hunter galloway and ridden Welsh at Dandenong Ag and the Welsh ring at Barastoc he consistently brought home bundles of ribbons. Continuously improving and being an easy horse to campaign as a solo competitor made his first season very enjoyable. *James* has been the easiest horse making every experience a pleasure. Taking my 12 year old daughter to pony club and trail rides one weekend and taking home champions with myself the following. He is a true family horse and a perfect example of the versatility of the Welsh breed.

James requires minimal work down and has a fantastic work ethic making him a favorite at events for nervous horses to lean on. We have often come to the rescue and

led nervous mounts through scary situations. He has qualified for Canberra Royal this season where we are competing in his hunter galloway classes and his Part Welsh ridden classes.

WAXWING *Original* (Imp UK)

ACHIEVER AWARD •DRESSAGE

2015 Welsh Pony stallion S: Eyarth Beau Geste D: Mynach Oriana SOD: Moelview Mohawk

WAXWING ORIGINAL was imported by us from the UK in 2016 as a yearling. In his formative years he was shown lightly in hand before being broken in. He was then shown only a couple of times under saddle as a young pony before standing at stud.

We realized *Original's* potential as a performance pony and wanted him to have a saddle career so in mid-2024 we reached out to Lucy Taylor who took *Original* on in July of that year. *Original* was then a nine year old stallion with limited experience under saddle. After being brought back into work and enjoying success under saddle at shows, it was evident that his temperament and talent extended beyond the show ring - he was showing a real aptitude for dressage.

In 2025, *Original* started his dressage campaign at Official Novice level, winning his first few starts with scores over 70%.

After only a few dressage starts, in June 2025 *Original* competed at his first Championship event, the Hawkesbury Dressage Championships. He finished third overall in the Novice Pony Championship behind two experienced and highly decorated German Riding Ponies.

In October 2025 *Original* competed at the prestigious Australian Dressage Championships, finishing fourth overall in the Novice Pony Championship, the highest placed Welsh/Part Welsh pony. To end the year, we entered *Original* at the Canberra Classic Dressage Championships. *Original* put on a stellar performance, winning both of his tests with high scores and finishing the overall Novice Pony Champion.

While *Original* is still relatively new to the dressage scene, we have been extremely impressed and proud of his achievements. He often competes against much larger purpose bred German Riding Ponies, a credit to the versatility, adaptability and incredible temperament of the Welsh breed. We look forward to continuing *Original's* dressage career in 2026.

WORANORA *Nobleman*

ACHIEVER AWARD •SHOW HUNTER

2017 Gelding of Section A breeding S: Imperial Behold D: Woranora Nara SOD: Ysselvliedts Golden Boy (Imp NL)

CHARLES (*Woranora Nobleman*) has had an exceptional and unforgettable season, standing out not only for his results but for the joy, reliability, and versatility he brings to everyone around him. Throughout this agricultural show season, *Charlie* has remained undefeated, a remarkable achievement that highlights both his natural ability and the outstanding qualities of the Welsh pony breed. His success comes with ease, as he requires no work-down and consistently presents calm, confident, and ready to perform.

A standout moment of *Charlie's* season was his success at Canberra Royal, where he was awarded Champion Small Pony after only just meeting his young rider. Despite their new partnership, Elke's professionalism shone through, laying the foundation for what would quickly become a truly special combination. That partnership continued to bloom to perfection at the Grand National, where *Charlie* and Elke went on to win the Child's Hunter Pony, a testament to his adaptability, consistency, and trustworthiness. The momentum and excitement carried through to the Night of Stars, where *Charlie* delivered an unforgettable performance, giving Elke the ride of her life. Standing at just 11.1hh, *Charlie* rose above expectations to claim Grand Champion Child's Hunter, competing successfully in an unrestricted height championship. His ability to perform at such a high level against larger horses speaks volumes about his quality, presence, and heart.

Beyond the show ring, *Charlie* is adored by children and trusted by all who handle him. He is safe, kind, and endlessly fun - even happily dressing up as a unicorn for a one-year-old's birthday party. *Charlie* is the definition of consistency and will never let you down. His season is a true testament to Maria Furina and Emma Adams, who have trained him to absolute perfection, producing a pony whose talent, temperament, and reliability shines in every setting.

The Dinah Creswick Award Winner 2025-2026

Woranora Stud

AS A STUD that usually only breeds four to six foals a year, I am very honoured to have been awarded the Dinah Creswick award for the third time, having previously won the award in 2006 and 2019 for points gained by ponies I have bred competing at the New South Wales All Welsh Show.

I would like to start by thanking those people who took their ponies to the show to compete and those who prepared and showed mine this year especially Jessica Luscombe, Jody Robins, Liz Stephenson and Jan and Alan Pearce. Also huge thanks to Melissa Blaikie, Linda Monaghan, Catherine Egan, Belinda Shepley and Kate Sewell for also showing in-hand Woranora ponies to help win this award and Michael Gates and Brooke Doolan for also taking the lead on ponies.

I find it hard to believe that it is 41 years since I bred my first Welsh foal, giving me an excuse for no longer running the ponies out myself! Although mainly now breeding Welsh Mountain Ponies, over the years I have bred a mixture of Welsh Mountain and Welsh ponies with a couple of Part Welsh thrown in and I still breed the occasional Section B with the yearling colt *Woranora Cartier* owned by Linda Monaghan and produced by Melissa Blaikie winning Champion Colt at the Show. The focus of the stud has always been to try to breed a true to type Welsh pony with the temperament and conformation to enable it to perform under saddle.

The most influential early Welsh Mountain stallions for my stud would have to be *Coed Coch Gwyndaf (Imp UK)*, who I was fortunate to lease for a few seasons, *Menai Silver Sand (Imp UK)*, purchased as an older stallion, and *Waxwing Herod (Imp UK)* whose daughters I collected. Most of my broodmares trace back to these early stallions and their sons, *Woranora Mosaic* (by *Menai Silver Sand* out of a *Coed Coch Gwyndaf* mare) and *Imperial Behold* (by *Waxwing Herod*).

Ysselvliedts Golden Boy (by *Blackhill Picalo*) was then imported from the Netherlands and proved to be a good outcross for my mares, adding bone and body depth as well as stronger movement. '*Goldie*' produced mares for me that have bred on consistently well, the star being *Woranora Nara*, an extremely successful show mare, whose foals have consistently won at top level at All Welsh Shows and have then proven to be superstar ridden ponies with her first foal, *Woranora Nobleman* winning Grand Champion Childs Hunter at 2025 Show Horse Council (SHC) Grand National. His granddaughter *Woranora Promise,* after a very successful ridden career, is now breeding on well with her lovely filly *Woranora Pretty Penny (AI UK)* by the UK stallion, *Heniarth Quinnell* retained. As I am on small acreage, I agreed to sell *Goldie* to Hayley Kinley in New Zealand and he was treasured there until his passing last year.

Like all breeders, there is the eternal search for the next outcross and in 2018 I imported the bay stallion *Ceulan Masterclass*. *'Joey'* proved to be another excellent outcross for me with his daughter *Woranora Susanna*, out of *Three-B Supergirl (Imp NZ)* being particularly successful when shown and now proving to be an excellent broodmare with her first foal *Woranora Suzette* winning Best Youngstock Overall 2025 NSW All Welsh show as a yearling and her 2025 foal *Woranora Spartacus* Best Welsh Foal at the 2026 NSW All Welsh Show. A son of *Masterclass*, *Woranora Sahara*, out of *Woranora Sierra (W Mosaic x Three-B Supergirl)* has been retained and is currently running with mares at Dallu Pony Stud, being too closely related to most of my current broodmares to use at home. As *Sahara* had been retained the decision was made to allow *Masterclass* to move to Western Australia where he was recently Supreme Welsh Mountain Pony at 2025 the WA All Welsh Show for his new owner Jade O'Brien.

Waxwing Passport was the next import, the foal that I bought when not looking for anything to buy! *'Ted'* has exceeded all my hopes for him. Successfully shown in UK as a colt produced by Sam Morsley, winning multiple medals and his two year old class at the Royal Welsh, *Ted* was imported as Covid shut down the world leaving no time to fertility test him before export. There was great relief when he was proven to be fertile! Now in Australia he would have to be the most consistent winner of the last few years produced and shown beautifully by Taylah Lee. He has been Champion Ridden Welsh at the Australian Welsh and Part Welsh Ridden Championships (ARC) competition each time shown (2023, 2024 & 2025), Supreme Ridden Welsh at NSW, Victorian and South Australian All Welsh Shows as well as Best In Hand a couple of times at NSW All Welsh and Sydney Royal. He usually starts the stud season in Victoria, travels to me for a few weeks in October and then back to Victoria to finish the season so isn't heavily shown. He has proven to be a very consistent sire, crossing well to a variety of bloodlines and has won the Section A Sire Rating for Australia twice to date with his oldest foals competing for those awards only three. He has already produced All Welsh Supremes and Welsh

National Champions and his first foals under saddle are showing that his love for the ridden job will be passed on to future generations.

Although my first love is for the Section As, the Section Bs have probably been even more consistently successful for me. *Kalina Panache*, by *Weston Chippendale (Imp UK)*, was the first and she rewarded me with wins such as Supreme at the NSW All Welsh Show, multi Champion in three states and a wonderful broodmare, although short on fillies, with her foals including *Warrior, Warlock, Flair, Pirouette* and *Jacob*. *Pirouette's* foals include the successful sire *Woranora Pizzaz*, sire of the outstanding ridden pony *Calca Park Aristocrat*.

The next Section B mare, and the most important, was *Trentlyn Marie Christine*. I was looking for an up to height bay mare when I first saw *Christie* as a foal on her dam *Weston Marie Louise*. It took a few months before her breeder, Greg Higgins, relented and sold the small grey foal to me but our faith in her was realized when she won Best Welsh In Hand at the NSW All Welsh Show as a yearling. This was the start of an amazing career which saw her repeat her Supreme at NSW All Welsh as a Brood Mare as well as Supreme at Sydney Royal. *Christie* proved to be an extremely consistent broodmare with her foals including *Crystal* (Best Youngstock NSW All Welsh, Champion Vic All Welsh and Champion Ridden Canberra Royal) and *Christiana* who although lightly shown was rarely out of a championship. *Crystal* bred on very well with her foals including the successful *Woranora Sapphire* (Vale in this edition of the Journal), *Chancellor* and *Contessa* (Supreme Welsh Overall Sydney Royal 2019).

I was fortunate enough to be able to lease *Contessa* back from her owner Linda Monaghan and she again is proving to be a superstar broodmare. Her first foal in 2019 was a lovely filly named *Woranora Chanelle* by *Waxwing Peru (Imp UK)* and she has been a consistent winner for her owner Jody Robins following on from winning the

Foal Class at the International Show. Her second foal, *Woranora Cameo (AI UK)*, was by the UK stallion *Cadlanvalley Buzby*. *Cameo* had a successful in-hand career including Champion at NSW All Welsh as a Yearling and is about to commence a ridden career after producing her first foal *Woranora Cartier*, by *Waxwing Peru*, who was Champion Colt at 2026 NSW All Welsh Show. *Contessa* has continued to produce well for her owner Linda Monagan producing three lovely fillies by *Peru*.

The first Section B stallion that I owned was *Trentlyn Aramis*, sire of *Pirouette* and *Crystal*, his wins included Supreme B at the NSW All Welsh Show and Supreme In Hand National Stud Show. *Aramis* was followed by the very successful *Bamborough Paramount*, sire of *Contessa* and *Sapphire*. A pony with a wonderful temperament, *Paramount's* successes include Best Welsh In Hand NSW All Welsh Show, Supreme led and ridden Vic All Welsh, multiple supremes Sydney Royal in Welsh and Palomino classes.

Although most of the broodmares today are home-bred, mention must be made of *Three-B Supergirl* who I imported from NZ after judging her dam and giving her Supreme at the North Island All Welsh Show. Purchasing *Susie* would have to be one of the best decisions I have made for the stud, not only an excellent show mare but an amazing producer leaving me with two lovely daughters, *Sierra* and *Susanna*, and a grandson *Sahara* (out of *Sierra*).

I have also been fortunate enough to obtain two older imported mares, *Tiffwyl Mylovely* and *Ormond Golden Girl*, who are proving to be wonderful wives for *Passport* with a filly *Woranora Glamour Girl* (out of *Ormond Golden Girl*) being successfully shown for me in Victoria by Robert Cockram, *Woranora Liberty* (out of *Tiffwyl Mylovely*) successfully shown as a yearling and to come back out next year, and *Woranora Legacy* sold to Jade O'Brien in WA.

You will notice that there are very few colts retained or sold as colts. I firmly believe that good colts make exceptional geldings and that geldings have a better life than colts so unless there is a need to retain a colt or they are sold early they are usually gelded very young before colty bad habits develop.

I am very grateful to those breeders over the years who allowed me to borrow good stallions and who were prepared to sell me their very good foals as well as those who allowed me to send mares to their stallions. I am also grateful to those breeders who were prepared to share their knowledge and opinions over the years. Without their generosity my stud would undoubtedly have been very different.

As I get older I am starting to think that I should either stop breeding or sell all foals as they may outlive me, the problem is that I enjoy breeding and the challenge of producing a nice foal so will just need to try to ensure that their futures are safeguarded with people who will care for them.

Neonatal Isoerythrolysis

Brian S. Burks, DVM www.foxrunequine.com

NEONATAL isoerythrolysis (NI) is a mouthful to say, and literally means destruction of red blood cells. This potentially deadly disease is relatively easy to prevent but is difficult to treat. There are antibodies in the dam's bloodstream that attack the foal's red blood cells, leading to a host of other problems. This is because the foal's red blood cells have surface antigens that are incompatible with antibodies ingested in colostrum.

The mare has an epitheliochorial uterus which excludes the mare's blood from mixing with the foal's blood in utero; antibodies are too large to cross the uteroplacental unit. During the last weeks of gestation, antibodies are concentrated in colostrum that the mare makes because of exposure to disease or vaccination in order to protect the neonatal foal from disease.

Red blood types from the sire that do not match the mare can leak into the mare's bloodstream. If abnormal blood transfer occurs, such as haemorrhage during pregnancy, resulting in the production of antibodies against that red blood cell type. These antibodies will be concentrated in colostrum and subsequently ingested by the foal.

Foals have 'loose' cellular connections in the intestinal tract for up to 24 hours post birth, which allows the absorption of intact antibodies, which can then attack the foal's own red blood cells. Once the intestine 'closes' it can no longer absorb antibodies and the mare's milk is safe for ingestion.

Mares may also be exposed to a different blood type if blood or blood products have been given, i.e. blood transfusion. Trauma during parturition may also cause leakage of fetal blood into the mare's bloodstream. The mare will develop antibodies that may affect a subsequent foal.

NI foals can occur in any breed but Paints, Quarter Horses, and donkeys seem to be more affected than other breeds. Thoroughbreds and Standardbreds have a low incidence of NI. Mule foals have higher incidence due to 'donkey factor' (a difference in blood types between horses and donkeys).

It is important to have neonatal foals examined by a veterinarian 12-24 hours post-partum. This can identify foals with failure of passive transfer, and those that may have NI by checking the red blood cell count. This allows the disease to be caught early.

During the last few weeks of pregnancy, the mare's blood can be tested for antibodies against red blood cell types; the most common involved are Aa and Qa. Screening does not completely rule out having an affected foal, but it does mean it has a lower risk.

Foal blood can be tested via the jaundiced foal agglutination (JFA) test. This involves mixing foal blood with the mare's colostrum. If there are antibodies against the foal's blood, the blood will clot, creating clumps. The foal should not ingest that colostrum. Instead, the foal should receive colostrum from a different mare without deadly antibodies or plasma that does not contain the offending antibodies.

Neonatal isoerythrolysis can occur with varying degrees of severity. Typically, foals are born normal and develop clinical signs after colostrum ingestion. Haemolysis can occur at different rates, leading to anemia within several hours or as late as one week after birth.

Clinical signs include lethargy, tachypnea, tachycardia, and pale icteric mucous membranes. In more severe cases, the foal develops fever, stops nursing, and develops pigmenturia. Peracute cases may be found dead or present with multiorgan failure and seizures. Kernicterus may ensue - a condition where bilirubin levels are so high that they move into brain tissue, causing brain damage. Bilirubin also causes jaundice - yellowing of the mucous membranes.

Foals with NI should be hospitalised for treatment as quickly as possible as the disease can cause multi-organ failure, particularly the kidneys and the brain. Normally, the foal has a haematocrit (packed cell volume) of about 30%, but NI can cause anemia with a PCV of 10%. Without enough red blood cells, oxygen cannot be delivered to the tissues. Such foals require blood transfusion, typically from a gelding with no history of blood transfusions. We keep blood donors for this purpose. If a donor is not available, the mare's blood can be used following removal of the plasma and washing of the red blood cells. Foals may require fluids and antibiotics.

The overall survival rate for foals hospitalized with NI is >75%. Many NI foals need time and fever control, along with blood transfusions. Some, however, do not recover; even with careful cross matching, red cell destruction continues, causing overwhelming damage.

Prevention is key to avoiding NI in foals. Screening for disease prior to foaling and testing the colostrum of at-risk mares can lead to strategies such as withholding colostrum from the foal until the milk is safe and providing alternative sources of antibodies.

Parascaris spp. Infestation 'Roundworm'

Brian S. Burks, DVM www.foxrunequine.com

PARASCARIS equorum is the equine roundworm (nematode), which is found worldwide. Although historically most equine ascarids were identified as P. equorum, molecular studies have shown that many parasites previously classified this way are actually Parascaris univalens. The parasites are colloquially called "ascarids". This is a host-specific helminth intestinal parasite that can infect horses, donkeys, and zebras. **Horses up to six months of age are the most susceptible to infection**. After this time, infection rates begin to decline and it is uncommon to cause clinical disease in horses over twelve months of age. It cannot infect humans or other animals. It is yellow-white in colour, and females can become as large as 15 inches (38 cm) in length; the males are shorter, being 15-28 cm in length.

There is a pre-patent period of 10–16 weeks, meaning the time from ingestion of the egg to completion of the life cycle. Large numbers of infective eggs can remain viable for years in contaminated soil. Adult animals usually harbour very few, if any, roundworms. The principal sources of infection for young foals are pastures, paddocks, or stalls contaminated with eggs from foals of the previous year.

In heavy infections, the migrating larvae may produce respiratory signs ("summer colds") such as mild fever, purulent nasal discharge, coughing, and increased respiratory effort. In heavy intestinal infections, foals show ill thrift, loss of energy, mild fever, and colic.

Intestinal infestation may result in poor growth, weight loss, pot-bellied appearance, rough hair coat, poor appetite, reduced performance, and intermittent colic. Intestinal obstruction and perforation have occurred. Intestinal obstruction with balls of roundworms can result in the need for colic surgery. Sometimes the impaction can be resolved by manual manipulation, moving the worms into the cecum, while other times some bowel may require resection. Intestinal stages compete for absorption of essential amino acids.

Diagnosis is based on demonstration of eggs in the faeces. If disease due to pre-patent infection is suspected, diagnosis may be confirmed by administration of an anthelmintic, after which large numbers of immature worms may be seen in the faeces.

Most foals become infected soon after birth. As a result, most of the worms are maturing when the foals are 3-4 months old. Treatment should be started when foals are 8 weeks old and repeated at 8-week intervals until they are yearlings. Most broad-spectrum equine anthelmintics are effective against the adult and immature worms in the small intestine, therefore ascarids are easily controlled by routine anthelmintic administration; however, there have been reports of resistance of P. equorum to ivermectin and moxidectin in North America and Europe. Efficacy should be monitored using a faecal egg count reduction test. In cases in which verminous pneumonia due to Parascaris migration has developed, therapeutic benefit may be achieved by treatment with ivermectin or **fenbendazole (the latter double dosed for 5 consecutive days)** with concurrent antimicrobial therapy.

They have a life cycle which essentially is:

- the adults live in the small intestine.
- the female can lay 100 000 - 200 000 eggs a day
- the eggs are passed out in the horse's faeces
- horses are infected by ingesting the eggs

Intestinal obstruction with balls of roundworms.

- the first larval stage develops in the eggs
- eggs can remain viable in the environment for a number of years
- once the eggs are ingested the larvae migrate through the small intestine wall and travel to the liver via the portal vein.
- the larvae enter the vena cava and travel to the lung
- they are coughed up and swallowed and the adults develop in the small intestine

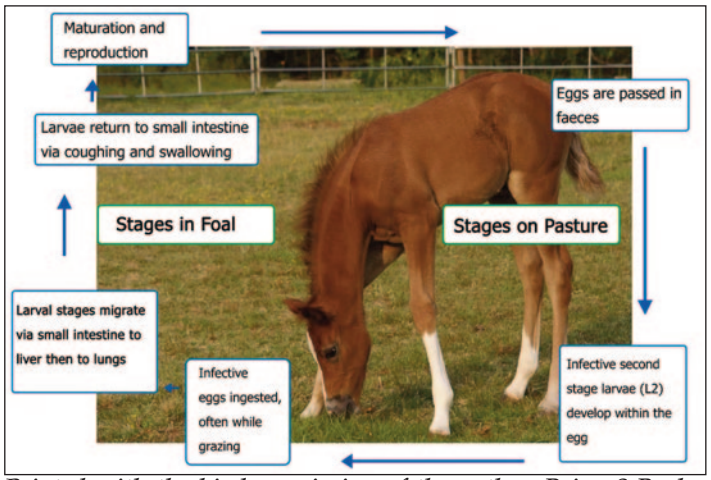

The problems that can occur:

- weight loss and ill thrift
- colic from serious small intestine impaction
- coughing
- nasal discharge
- lung damage
- liver damage

All deworming regimens should be developed by an equine veterinarian and guided by faecal egg counts.

Prevention of ascarid infections focuses on parasite management and environmental hygiene. Faeces should be removed regularly from stalls and paddocks, avoid over crowding, use faecal egg counts to determine worm burdens, and use strategic deworming programs rather than frequent treatments.

Southern NSW RPG

The Early Days

THE SOUTHERN New South Wales Regional Promotional Group was formed on 22nd July 1993. The founding committee was Mr Ray Gelder - Chairperson, Chris Murphy – Vice-Chairperson, Mrs Barbara Leimroth – Secretary, Mrs Jane Dwyer – Treasurer, and other members W Elliott and Ruth Chittick.

The new RPG got straight into fund raising with a barbecue on Saturday 14th November at Reinhard and Barbara Leimroth's property and the weather was ideal. A great roll of 40 adults and 20 children raised $400. Activities on the day included pony rides organised by Jane Dwyer of the Gryphon Stud using her Welsh Mountain mare Bolaro Olivia in harness, which was enjoyed by adults and children alike. There were also stalls for novelties, cakes and pot plants. The Leimroths were great hosts.

Now with some available funds, the committee set to promoting our wonderful ponies and cobs. The major show in the regions for Welsh was the Moss Vale Show, a Sires Rating show which was always well supported. For the 1994 show, the RPG donated ribbons and organised the ring on the day, including a panel judge from Victoria, Mrs Chris Milvain. The Group also supported Welsh classes at many local shows, then Moss Vale again in 1995 with judge Mr Mark Bullen.

The 1996 Annual Meeting was held at Madoroma Stud. Our long-standing Chairperson Mr Ray Gelder retired from the committee and his Vice-Chair Mr Chris Murphy was elected to Chairperson. After the meeting, Meg Foster of Koonama Pony Stud gave an informative talk on the Madoroma Stud, its history and ponies. A small snow flurry gave a cold but pretty finale to a lovely day.

Best Welsh In Hand at the Moss Vale Show 1994 was Russell & Kay Nixon's Section C stallion Niscinda Mastercard, photographed in harness the following year. Photo: Francene Neuendorf.

The first New South Wales Pony Youngstock Show was held on the 1st December 1996 in the lovely indoor arena of the Highlands Equestrian Centre, Sutton Farm. The show was run by Bruce Parker who was treasurer of the group from 1996 to 2012. Bruce was the entries secretary for all our shows and organised all the catalogues and ribbons during this time. The Highland Equestrian Centre became the regular venue for the annual Youngstock show until 2004 when it was closed to outside events, but continued in other venues. We always have an overseas judge for this show to keep it a prestigious event and many exhibitors travel great distances every year to compete.

In 1998, Mrs Shirley Atkinson moved to Marulan. Shirley had previously been a member of the New South Wales sub-committee. She joined the Southern RPG and was elected to the committee, then in 1999, gave Chairperson Chris Murphy a break and was elected as Chair, a position she held until 2004.

Our first open show was the Winter Woollies gymkhana held at the Moss Vale Showgrounds on the 9th August 1998 with a children's ring and a very popular pet show held during the lunch break. This was a fundraiser for the Youngstock Show and was repeated in 1999

On 23rd August 1998, in conjunction with the NSW Sub-committee, a Judges' and Showing Seminar was held with approximately 100 people attending. Tony Oliver-Watkins gave a presentation on the Standard of Excellence for each Section, Alan Chittick BVS spoke about conformation. Helen Dohan gave a talk on the preparation and showing of a Welsh Mountain Pony, Margaret Butler on Management in the Show Ring, Tony Oliver-Watkins on Leading Rein, First Ridden and Show Hunters, and Norma Gelder and Denise Rawlings on Open Show Pony.

The following year, the NSW and Southern Groups again joined forces holding a seminar in Sydney at Rathowen Stud with the main presenter being David Ross.

An Open Performance Show was held on 25th September 2002, with led and ridden Welsh classes, and Open ring, plus a ring for Show and Working Hunters, with a program for Beginners in the enclosed arena. The Performance Show in September 2003 had an emphasis on classes demonstrating just how versatile Welshies are, as well as the usual led classes.

The Youngstock Show in 2003 was held at the Penrose Equestrian Centre, as our long time venue at Sutton Forest was no longer available. In 2004, the Youngstock Show was held at Moss Vale Showgrounds.

The Southern NSW group was a very happy group. It was very collegiate, with everyone chipping to help run events.

Shirley Atkinson & Chris Murphy

Champion Youngstock at the Moss Vale Show 1994 was Chris & Janet Murphy's 3 year old Section B colt Carolinas Mistlethrush (Imp UK).

RPG Roundup

New South Wales - Eastern

THE NSW ALL BREEDS Foal & Youngstock Show with Winter Hack, Hunter & Newcomer Show was held on 28 June at Hawkesbury Showground. The weather gods were kind to us with rain in the days leading up to the show and then again the evening of 28th but perfect showing conditions on the day. The judge in the Welsh ring this year was Elizabeth D'hondt from Queensland and full results are published in the Result section in this edition of Action. Bronze medals were awarded to the Grand Champion Welsh and Part Welsh exhibits. Grand Champion Welsh exhibit and Supreme Welsh Youngstock was the Welsh Pony of Cob Type colt, *Menai Lord Carmarthen (Imp UK)* owned by Ashley Porter and exhibited by Scarlett Porter making the trip from Victoria to attend worthwhile. Grand Champion Part Welsh exhibit was Maree Wilson's yearling gelding *Brigadoon Park Manhattan* who won the Supreme Part Welsh foal award at this show last year.

A Judge and Enthusiast seminar will be held at the Richmond Club on Saturday 7th November starting at 10am. This will be followed by a workshop for new and interested members the next day subject to interest so please contact Helen if you would be interested in such a day. These activities are for all members and it is hoped to organise a social dinner on Saturday night for those travelling and staying in the area. Please RSVP so that we make sure that the room to be used is big enough.

The Regency Floats NSW All Welsh Show will be held on 26th-28th February 2027 back at Hawkesbury Showground. UK judges have been secured for the Welsh and Part Welsh In-Hand classes and popular Saturday evening get-together dinner and fun auction is always an event to look forward to. The program will be available on www.vaws.com.au later in the year.

The Society AGM is a very popular social event on the Welsh calendar and Eastern NSW members featured prominently at the Award ceremony on the Saturday evening.

Achiever Awards were presented to *Woranora Nobleman* owned by Jessica Luscombe winning the Show Hunter award and *Kaewing Park Maximus* owned by Amanda Wunderlich winning for the second year in a row, this time in the Interschool category.

Stallions owned by Eastern NSW RPG members also featured well in the Society Sire Rating awards. *Waxwing Passport (Imp UK)* won the National In-Hand award for Welsh Mountain Ponies for the third consecutive year with *Imperial Nevada* third. For the NSW In-Hand award *Waxwing Passport* was first and *Imperial Nevada* second in the Welsh Mountain award and in Qld *Imperial Nevada* was fourth and in the Welsh Pony category, second place went to *Imperial Puccini. Waxwing Passport* also won the In-Hand award for Victoria. The stallions also featured well in the Performance Sire Ratings with *Imperial Nevada* winning in Qld and *Waxwing Passport* third in NSW.

The Dinah Creswick award is an award that rotates between the All Welsh Shows in each state and in 2026 it was allocated to NSW All Welsh Show. Points are calculated from placings of exhibits bred by a member and in 2026 the award was won by Woranora Stud owned by Helen Dohan.

As the foaling season approaches it is a good time to remember that there are more important things in life than ribbons and rosettes. Please be kind at shows and on social media. We all love our ponies and snide remarks on social media are not appropriate and will not encourage participation.

RPG Roundup

New South Wales - Northern

WHILST we are all in the throes of winter and the show season in Northern NSW is in the off period, the Northern NSW RPG is in full swing organising our main show. This year will see us host our show a little earlier than it has historically been, with two days of Welsh showing to be held at Australian Equine & Livestock Centre (AELEC) in Tamworth on October 24th and 25th under two UK judges.

This year is shaping up to be bigger and better than ever with the introduction of the Best Youngstock classes, along with new classes specifically for Show Ponies. The full program of events is available on the RPG facebook page and on VAWS.

In addition to this, we will be offering show merchandise for the very first time! If you would like to get your hands on some 2026 Northern New South Wales Welsh Show merch, pre-orders can now be placed via www.vaws.com.au.

Like many committees we are always looking for a spare pair of hands, so if any one may know of someone who may be willing to support our show by stewarding or announcing, please get in touch with the committee.

For those who also compete Show Horse Council of Australasia (SHCA), the following weekend will be the New England and North West Show Horse Association NSW Regional Show Horse Championships at AELEC, so consider making it a double header and heading to Tamworth for a showcation!

Kind Regards,

Hannah northernnswrpg@outlook.com

New South Wales - Southern

THE NSW SRPG Committee organised the 26th All Breeds Foal & Youngstock Show which included open hack, hunter and ridden classes, held Sunday, June 14, 2026, at the Goulburn Pony Club Grounds, Goulburn NSW. A very enjoyable show and well patronised with 104 horses entered and a total of 64 exhibitors. As luck would have it, instead of the expected chilly wind, overcast skies, and drizzling rain, the day brought sunshine, calm conditions, and a rainbow that enfolded the showground shortly after mid-day creating a wonderful atmosphere.

The show started on time with strong entries and quality youngstock in the sweepstake classes. Judges Catriona Sviderskas, Wendy Allen and Glenda Forbes used the three-point score system, which allowed each one to make their independent decision before conferring together to determine the final placings.

Best Welsh Foal & Grand Champion Led Foal of Show, Sue Lyons' Section A filly Lyons Lane Lady Butterfly, handled by Daniel Harvey. Photo: AC.

The Welsh and Part Welsh foals and youngstock ponies were judged by Melissa Blaikie NSW with her comprehensive knowledge. Just briefly, Melissa awarded the WP&CS Bronze medal to the Supreme Welsh Foal, the Welsh Mountain filly *Lyons Lane Lady Butterfly* owned by Sue Lyons. Runner Up to Supreme, was the Welsh B Filly *Lyons Lane Madam Butterfly* also owned by Sue Lyons. Supreme Part Welsh Youngstock and Bronze medal was awarded to *Sirrah Royale Secrets* owned by Louise Ryan and Runner-Up to Supreme Part Welsh, *Lady-May Juliette* owed by Melynda Tollman. Results from this show are included in this Action.

First time announcer Debbie McClelland did an amazing job, consistently collaborating with the committee making sure all rings ran smoothly and on time. What a sterling job Debbie did. Once again, we had the privilege of having as the official photographers, Elegant Exposures who also donated and sponsored vouchers as well as taking photos in all rings for exhibitors.

To all those involved - Goulburn Pony Club, Jacki Waugh and team for having each ring set up in advance and for their first-class catering, help and support before and throughout the day of the show, judges, stewards, sponsors, volunteers (including Jo Brilley a very capable lady who stepped in to help in the office), exhibitors and the announcer. The committee recognises and sincerely wishes to thank you all in helping and cooperating to make this show a success. Without your support the committee alone could not organise or run a show like this.

The RPG Annual Meeting was held on Sunday, 19/07/26, at the Goulburn Ex-Servicemen's Club. An open invitation was advertised on Facebook and in Action for anyone wishing to attend. The NSWS RPG committee were elected for the following year: President - Lori Howell, Vice President -Dudley Newham, Secretary - Cathie Newham, Treasurer - Catrina Sviderskas, Publicity Officer - Val Smith, Safety Officer - Wendy Savill, Committee - Malcom Smith. Of interest, none of these WP&CS members have served on any committee in the past sixteen years until last year.

The NSW 27th Pony Classic Show will be held on Sunday, 18 October 2026, at the Goulburn Pony Club Grounds. The program will include changes, with special classes for young handlers and riders, as well as additional classes for harness and activity.

Congratulations to Dudley Newham on becoming President of WP&CS of Aus Inc recently appointed at the conference held at Rydges Gold Coast Airport, Queensland. This honour reflects his years of dedicated service to the society. Dudley will also continue as vice president on the SRPG Committee while attending events throughout Australia.

We invite members of the Southern group to share their stories to be included in the next issue of Action. Please send to publicity officer Val Smith.

RPG Roundup

Queensland - South Eastern

WINTER HAS BEEN very dry and relatively warm this year. A bit different to the past few years where the weather has been wet and cold. There have been a few activities for the Welshies with many out showing at various agricultural shows. This is awesome, as if they are not well attended, then the show societies will not put on the classes. Laidley had a good attendance in the in hand classes and in the harness. Ridden events seemed to be well filled.

Pony Club is the big winner for the Welshies as many, mostly adults, attend in our area. Laidley Pony Club has only a few members but those who do attend have a great time learning to jump and doing novelties with their Welsh ponies, because they are made for speed! At our most recent Ride and Drive activity at Coominya, which was a fund raiser for the RPG, from the fifteen harness attendees, eight were Welsh or Part Welsh. There were also two ridden ponies, *Bryntawel Vincent* and *Bryntawel Twilight* out on the trail. *Twilight* was in charge of a five year old boy on the lead and did a perfect job looking after him for the whole ride.

Border Show Red Velvet, aka *Markie*, has won an Achievement Award for all his competition championships throughout the 2025-26 competition year. He has already been Champion at Pony Club, Interschool, dressage and Working Hunter events since receiving the award. I have a recent photo of him lined up doing a campdraft activity, where the cows are much bigger than him! He is only 12.2hh and a very brave and competitive pony! *Bryntawel Honey Rose* has also started her State Championship career within the Interschool competition, so go the Welsh!

Sam Smith's Preston Park ponies have been doing very well at Show Horse Council competitions. It is lovely to see the beautiful show ponies achieving at such a high level for their young riders.

Brianna Gartner has purchased a beautiful Welsh Mountain Pony, *Nattai River Siwan*, recently. This pony will be out and about in the show ring next year.

It's almost breeding season again so good luck for the coming foaling season and may the filly fairy be a constant friend.

Regards

Queensland - QAWS Sub-Committee

FIRSTLY, a special congratulations to Mark and Zoe Ferdinand on the birth of another future young rider, with baby Lola being born the morning before the Society AGM and Conference on Friday 19th June 2026, somewhat fitting timing when this year was the first time that the Society Conference has been held in our great State, and the Gold Coast did not disappoint! Congratulations and thanks also to Sam Smith for all your considerable efforts in getting the AGM and Conference to Queensland, a feat most of us thought would never happen.

Thanks again to the tenaciousness of our Chair, Sam Smith, we are delighted to announce that we have again secured the Gatton Showgrounds for the 2027 Queensland All Welsh Show, so lock these dates into your diaries now, Friday 12th – Sunday 14th March 2027.

The Queensland All Welsh Show Sub-Committee held its Annual Meeting on Saturday 1st August 2026 at the Green Shed in Marburg. Due to the timing of our Annual Meeting being after the Action deadline, please head over to our Facebook page for an update on the new committee. The organising committee is always happy to have new and old faces alike step forward to assist with the event, and also to receive constructive suggestions on new ideas or improvements, so feel free to get in touch with the new committee and have your say.

South Australia

THE SOUTH AUSTRALIA RPG ran our Foal and Yearling Show in May at Danson Equestrian with judge Margaret Sperrin. While this show doesn't always have the highest entries, it makes up for that with the high quality of youngsters that attend. It is always wonderful to see the future of our sport in the very beginning of their careers.

Top awards went to Supreme Welsh Foal *Rivington Sunday Amazing*, Supreme Part Welsh Foal and Supreme Performance Foal *Cantik Park Versace*, Supreme Welsh Yearling *Wynara Carousel* and Supreme Part Welsh Yearling and Supreme Performance Yearling *Wynara Rainbow's End*.

Next up was our Winter Woolies Show held at Monarto Sporting Complex in June with judges Erin Bradshaw, Tiffany Ares and Emily Bennett. Best Ridden Welsh went to *Dalpura Alita* and Best Ridden Part Welsh went to *Sienna Jive*. *Seawynd Maverick* was Reserve Working Hunter, *Dalpura Alita* won both the Preliminary Dressage 1.1 and 1.2 and *Seawynd Yale* won the Novice 2.1. We love running this multi disciplinary events to really show off what the Welsh and Part Welsh ponies can do.

Since then it has been a quieter off month for members with the RPG busy organising

the Annual Meeting and end of season shows. Our Annual Meeting ran on the 19th of July, after an original postponed date due to wild weather, at the Oakbank Racing Club. We thank Elizabeth Fricker for being an independent chair for our meeting and are happy to announce that Kathryn Mitchell, Lia Blacket, Christina Johnston, Roxanne Bridgman, Gemma Salvestro, Penny Scott and Emily Bristow were nominated for the committee positions and accepted them for another year. It is a great committee that works well together, and we appreciate our member's support.

Alongside the Annual Meeting our High Point Award winners were announced for the 2025-2026 show season. Penny Scott works hard to organise this initiative and announced the winners to those in attendance. High Point Led Welsh was *Dalbrae Paris, Apollo Park Avalanche* was High Point Ridden Welsh, *Flying R Starlight* was High Point Led Part Welsh, *Shanamon Las Vegas* was High Point Ridden Part Welsh, *Dalbrae Tudor* was High Point Child's Pony and *Wynara Tom Piper* was High Point Harness Pony.

A Horse Gear Carboot Sale was also run the morning before the meeting and saw almost 30 people come out to sell their unneeded stuff as vendors and lots of people came through and grabbed a bargain.

Next up will be our well supported Winter Performance Day Show run at Strathalbyn Polo Grounds where we run a Native and Open Challenge, Breed Classes for a range of breeds of course including Welsh and Part Welsh, Dressage, Working Hunter, an Open Ring and High Point Awards for a range of breeds at the end of the day. This is always a wonderful event on our Calendar and the program is both on Facebook and MyAushorse for people to enter.

The SA All Welsh Show is set for October 31st to November 1st at Strathalbyn Polo Grounds with the two UK judges booked and excited to come over and an interstate judge ready to judge Ring 3. Sponsorship information about this show will come out soon!

Also make sure to keep an eye out for Welsh rings run at Ag shows, including Murray Bridge, Balaklava and a few more.

We look forward to finishing off the year strong with our last two events.

Victoria - Ballarat & Central Highlands

THE BACH group held its Annual Meeting on Sunday 5th July, with a lovely lunch at the Bunch of Grapes Hotel, Ballarat. Our dedicated team from last year put up their hands for another year. Ashley Porter elected as Chairperson, Helen Slee appointed Vice Chair. Georgia Ayres continues as our Secretary with Rachael Trickey as Treasurer. Jessica Dooley and Teresa Townsend taking joint roles as Publicity Officers, with Scarlett Porter and Teresa Townsend as Safety Officers. Robyn Garrard kindly joined us to be Co-Opted.

The BACH Pony Pageant is top of our organising list at the moment. Scheduled for Sunday 15th November, at a venue TBC within the Ballarat area, catering for both In Hand and Saddle classes including Ridden Show Ponies. Sponsorship is being sought from local businesses to offer great prizes for championships.

Now onto some local news from our group members….

Michael Pooler at Llan Elwy has my problem, it seems to have been raining for

months and there is water everywhere. Although not breeding any foals at present, they have had outside mares to their stallions, keeping them busy and they are looking forward to seeing the resultant foals. They hope they will be able to get some youngsters out and about in the show ring this coming season.

Simone Padoin is extremely pleased with her Part Welsh, *Wynara Wish*. Shown by Stewart Robinson from Suburban Lodge, he's done quite well for himself this last show season coming home with some smart sashes and garlands.

Sam Penning is new to our Welsh world having owned everything from Warmbloods to Stock Horses. The Welsh breed has completely won her over, especially her Welsh D Cobs. Their intelligence, presence, athleticism and willing nature make them such incredible horses to work with every day. Dressage has always been Sam's passion and she's looking forward to bringing on her youngsters under saddle over the next few years with the hope of seeing them out in the Pony Dressage Arena.

Charmain Redford, is owner and trainer of the Welsh Section B mare, *Keyi Catalina*. *Catalina* began a saddle career in 2026 after being both a successful show pony In Hand and in Youth Handler classes and Fancy Dress! Her saddle career started at a hectic Barastoc HOTY Show, followed by Ballarat Agi and several Cowboy Races, including being wildcarded to compete at the EXCA Australian Nationals in March 2026! *Catalina* is handled and ridden by both Charmain and her 11 yr old son, Justin, who is starting out on his riding career.

Michelle Stewart from Fontain Park has had a quiet time, recently selling *Fontain Park Whistleblower* to SA. He is a full brother to the very successful *Fontain Park Whisper of Wind*. Unfortunately an accident which broke Michelle's leg last year means no foals this coming Spring.

Stephen Wiltshire from Westbury Stud has had a successful 2025 foaling season with seven Section A foals. *Westbury Charlemagne* sired *White Knight*, a first foal who was sold with his mother *Betty White* to a new breeder. *Westbury Peanut* has sired the last of his progeny. Two sons, *Jellybean* and *Domino* are already at their new homes. His daughter *Eloise* is being retained. *Peanut*, who was gelded last year, is now making a name for himself as a show saddle pony in Queensland. We are currently weaning three colts by *Belchford Marquis (Imp UK)*. *Bleddyn*, from *Brecon*, *Neeson* from *Nilton Scarlett* and *Chopin* from *Clementine*. It has been a privilege to have had *Marquis* here for a couple of seasons. He has an impressive pedigree and is leaving outstanding stock. We are expecting three more foals by him this Spring including one from *Westbury Harper*. Also looking forward to one Cob foal - *Tenola Park Welsh Faith*, by *Machno Rhys (Imp UK)* will foal to *Nawarrah Park I am Batman*. Cannot wait for this one! It is gratifying to report that several of our Cobs have moved to new homes to begin performance careers.

Chloe Walls from Jarickni Stud has had perhaps the quietest year yet in her 10 years with ponies, due to her first baby born in February this year. With no foals due, their stallion was sold some 18 or so months ago, and her saddle cob hasn't had a ride in 12 months! The new baby has been forefront for all planning and attention for the first half of this year. Although Chloe would love it to be more pony-centric, life has been busy outside of her pony dreams.

Sharon Primmer has the Part Welsh, *Malibu Park Top Class*, known as *Patch*, who has been trying his hardest in the show ring, competing in led classes with Ryan, or under saddle in the show and dressage arenas. *Patch* started with Sharon as an open Riding Pony, doing small shows, then Barastoc, HOTY, Melbourne, Geelong, Adelaide and Canberra Royals. He's now become a Hunter Pony in Sharon's new show team based in South Australia.

Jennie Epstein owns *Morningside Exception*, known as *Jazz*, a wonderful friend for over seven years since being purchased as a seven year old – she had done very little after being broken in. A Part Welsh mare (7/8th) by *Kira Special Affair* out of *Judaroo Emblem*, they both had a very steep learning curve as Jennie had not ridden regularly for 30 years. Together they have enjoyed Adult Riding Club activities, with *Jazzy's* great turn of speed, nimbleness and love of jumping standing them in good stead in horse trials, show jumping and 3 phase equitation. Also enjoying trail riding, her nimbleness has also meant ending up on the ground on numerous occasions when she has turned or stopped unexpectedly, as she does like doing her own thing! Many laughs and cries along the way - including attempting to kneel down and roll while being ridden, waiting for our turn to do an obstacle course!

Melanie Lakey from Mandel Welsh Pony Stud has had a busy Winter so far. *Mandel Akarana* attended her first Pony Club under saddle and considering she has only had about ten rides, she was fantastic! Her little mate *Mandel Surprise* is still at mouthing stage but Melanie has high hopes for both ponies. *Westbury Poldark* is off holidaying at a friend's place as a companion to a 34 year old gelding, and is honestly the sweetest stallion you would ever meet, with some lovely mares lined up for him this Spring including *Mithril Shalimar, Mithril She's Wicked* and *Mithril Hildene*. We are excitedly waiting for our *Poldark* babies due in September from *Westbury Lady Silvie* and *Mithril Shalimar.*

Mithril Stud has a continuing interest in Dressage and performance ponies generally. Now in retirement, one of our wonderful old mares 28 year old *Mithril Valerie (Fairway Skyline x Rahane Rosemary by Hever Lyric Imp UK)* is in the pensioner paddock with a friend, while four of her progeny are competing. *Mithril Vagabond (by Owendale Brandyman)* recently competed at Grand Prix, ridden by his owner Louise Maguire. *Mithril Valencia (by Bookra Sports Edition)*, owned by Christiane Pennefather and now leased by Mel Lakey, has had a great season so far in Horse Trials, competing in the Open section of Pony Club run events. *Mithril Velocity (by Bookra Sports Edition)* co-owned, ridden and trained by Kristy Sparkes, recently won the Intermediate II class at Werribee Park - he is getting close to stepping up to Grand Prix level. His younger sibling, three/quarter brother *Mithril Voyager (by Westbury Spitfire)* is competing in Horse Trials and Dressage with great success ridden and trained by Kristy's daughter Maggie, who has him on loan from his owner, Kate Law. Mithril has been breeding Welsh for over 50 years, and now continues on a small scale, with the help and friendship of family and a circle of wonderful friends, met through interest in the ponies.

Well, that's all our news for now. If you are a part of our wonderful Welsh World based in the Ballarat & Central Highlands region, feel free to email me your news anytime at… teresa.meithrin@gmail.com

Also, don't forget to keep yourself updated with our current news through our Facebook page … Welsh Pony & Cob Society – Ballarat & Central Highlands RPG – it's the one with the pony trotting through the spring wattle !! Yes, Spring is just around the corner!!

VALE: It is with sadness that we mark the recent unexpected passing of Rayleen Arter. Rayleen was the mother of Shellee Arter, recently retired Chairperson of the G&P RPG and her sister Gabrielle, all of whom were involved in El Shaddai Park stud at Tyabb. Rayleen had a long association with ponies and horses but it was a chance encounter ringside with a local Section A breeder at Dandenong Show over 20 years ago which resulted in the acquisition of a colt and filly in 2007 and the subsequent growth of the stud to some 25 Welsh Mountain Ponies today and saw the Arter family's ever increasing involvement with the Welsh breeds and the Society.

Rayleen, with her quiet gentle ways, loved the ponies and regularly attended group run events. She was a great support to Shellee, was well known to many and will be missed. Our sincere condolences go to Shellee, Gabrielle, all Rayleen's family and friends. *Suellen Deane*

The Group held its AGM on the 13th June with a new Committee being voted in. Firstly a huge thank you to the outgoing Committee of Shellee Arter, Angela Holland, Sue Sporys, Roxanne Young and Jenise Carter for the tireless work they have done within the group. Shows and other events do not happen without the selfless work and time this group of amazing people have put in over the years.

The new Committee is excited to continue this great work and is as follows: Chairperson - Katie Turnbull, Vice Chair - Phillipa Judd, Secretary/Publicity - Peta Watson, Treasurer – Fran Langley, Safety Officers – Carmen Mansell and Meagan Jones, Show Secretary – Trish Moloney. Our co-opted Members are Lisa Dunn, Cheryl Windsor, Adele Garraway and Cristina Henning.

We are excited to move forward and have many ideas for events in 2027. By the time this has gone to print we will have had our first Horse Gear Market and planning is underway for our Show at Berwick on the 24th January 2027. We will update you all in Summer Action.

Peta Watson – Publicity Officer

Victoria - North East & Border

WE WRAPPED UP our events for the year with the Winter Fair at Tatura. Our judge Anne Hutchinson from the UK enjoyed her time judging both here and in Queensland, hopefully we can continue to share our judges with other RPGs in the future. We were again joined by the APSB and Riding Pony Societies which all help to make the event worthwhile for the organisers and competitors. Thank you again to our wonderful sponsors for the show, Wexford Park and Bling it on Pony, we appreciate your continued support. Plans are already underway for our 2027 event.

At our recent Annual Meeting it was great to see new and familiar faces, our office bearers are Chair – Gary Le Brocq, Vice Chair – Dianne Aumann, Secretary – Julie James, Treasurer and Publicity Officer – Megan Howe, Safety Officers – Janet and Chris Murphy, Committee – Peter Hodgson. We also thank our co-opted members including a team of younger members who are keen to learn and for input into events like the Little Red Dragon Show.

Our date for the 2027 Little Red Dragon Show and Clinic is still to be confirmed, we were unfortunate to not secure the normal weekend with Tatura Park, so plans are underway to work towards a suitable date.

With Spring coming up it's a reminder that lots of shows in our area will have fabulous Welsh programs, so please support all the events you can. Our group has Euroa Show as our Welsh Feature Agricultural Show, which includes a Welsh harness program on the Saturday, with a Bronze Medal and ARC qualifying classes on the Sunday. We will endeavour to include all program details on our group Facebook page, so please follow us & keep us informed of any events.

Heather Walliker receiving the WPCSA Distinguished Service Award, with Yarra Valley RPG Members.

Victoria - Yarra Valley

IT IS WITH DEEP SADNESS the Yarra Valley RPG announces the passing of one of our foundation members Heather Walliker on the 15th June 2026.

Heather's contribution to the Welsh Pony & Cob Society was incredible, she was a member for over thirty years. To her credit she held the positions of Chairperson, Secretary, Treasurer, Publicity Officer, Safety Officer and Committee Member sometimes serving on both the Yarra Valley, Victorian All Welsh Show and Foal Futurity Committees.

Heather was a member of the group who held the Inaugural WPCS Official Dressage Competition and ran the very successful Yarra Valley Foal Show over 20 years. Heather bred ponies under her stud Prefix Khalif Lodge and also over many years showed successful ponies such as *Stuartlea Bracken*. *Bracken* lived till the wonderful age of 40 years, testament to the care all Heather's ponies received.

The Yarra Valley group will very much miss our dear friend, who was always a source of knowledge regarding Rules & Regulations of the Society, and always keen to help others. Rest peacefully our dear friend Heather.

IN MAY THE WARPG ran the Canine Carvery Welsh & Part Welsh Foal Show and Youngstock Challenge at Herdsman Lake Showgrounds, alongside the Bibs & Booties Show.

We were very fortunate to have Dianne Aumann over from Victoria to judge our show.

A lovely day out for the foals, though we didn't have the greatest numbers as always, the classes were full of quality ponies which was wonderful to see. The Supreme Welsh Foal went to the Welsh Pony, Champion Filly Foal, *Penley Quill* owned by S Shingleton, with Runner Up going to the Welsh Cob, Champion Colt Foal, *Kings Town Vagabond* owned by L & P King, the Champion Welsh Mountain Pony was the filly foal *Judaroo Porcelain* owned by Judaroo Pony Stud, Champion Welsh Gelding, went to the Welsh Mountain Foal, *Kismet Park Ffinale* owned by K Thomas. Unfortunately, there were no Part Welsh Foals presented at the foal show.

It was wonderful to see a good number of youngstock presented for the youngstock section of this show. The Yearling Canterbury Stud Perpetual Trophy winner went to the Welsh Mountain Filly, *Glamorvid Elianne* owned by T Edwards.

The Welsh Youngstock Challenge Winner was the Welsh Mountain two year old colt, *Imperial Bartholomew* owned by T Edwards with runner up going to the Welsh Mountain Yearling filly *Glamorvid Elianne* owned by T Edwards. Part Welsh Youngstock Challenge Winner was *Marlyn Park Milady* owned by K Humphreys with Runner Up going to *Kirralea Hollywood Dreams* owned by J Sabine.

As a committee we have been busy organising the WA All Welsh Show which will be here before we know it and we are already looking forward to 2027. We look forward to seeing you all out and about enjoying your Welsh and Part Welsh ponies!

Waiver

It is possible for a supplier of recreational services to ask you to agree that the statutory guarantees under the Australian Consumer Law (which is schedule 2 to the Competition and Consumer Act 2010 (Cth)) do not apply to you. If you sign this form, you will be agreeing that your rights (or the rights of a person for whom or on whose behalf you are acquiring the services) to sue the Provider in relation to the Provider's services or the activities that you undertake because the services or activities provided were not in accordance with the guarantees are excluded, restricted or modified as set out below.

For Queensland, New South Wales, Western Australia, Tasmania, Northern Territory and Australian Capital Territory and Commonwealth

By signing this form, you agree that the liability of the Provider in relation to the activities (as defined by the Competition and Consumer Act 2010 (Cth), the Consumer Affairs and Fair Trading Act (NT) and the Australian Consumer Law) and recreational activities (as defined by the Civil Liability Act 2002 (NSW) and the Civil Liability Act 2002 (WA)) for any:

(a) Deaths;
(b) Physical or mental injuries (including the aggravation, acceleration or recurrence of such an injury);
(c) The contraction, aggravation or acceleration of a disease;
(d) The coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs in relation to an individual:
    (i) That is or may be harmful or disadvantageous to you or the community; or
    (ii) That may result in harm or disadvantage to you or community;

That may be suffered by you (or a person for whom or on whose behalf you are acquiring the services) resulting from the supply of the recreational services or recreational activities is excluded.

You acknowledge and agree that the above provision operates to exclude the liability of the Provider as a result of a breach of an express or implied warranty that the recreational services will be rendered with reasonable care and skill in accordance with section 5J of the *Civil Liability Act 2002* (WA) and section 5N of the *Civil Liability Act 2002* (NSW).

For South Australia

Exclusion, restriction or modification of rights under the Australian Consumer Law (SA)

Your rights:

Under sections 60 and 61 of the *Australian Consumer Law (SA)*, if a person in trade or commerce supplies you with services (including recreational services[3]), there is—

- A statutory guarantee that those services will be rendered with due care and skill; and
- A statutory guarantee that those services, and any product resulting from those services, will be reasonably fit for the purpose for which the services are being acquired (as long as that purpose is made known to the supplier); and
- A statutory guarantee that those services, and any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

Excluding, restricting or modifying your rights:

Under section 42 of the *Fair Trading Act 1987*, the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify his or her liability for any personal injury suffered by you or another person for whom or on whose behalf you are acquiring the services (a ***third party consumer***).

If you sign this form, you will be agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if you or the third party consumer suffer personal injury.[4]

Important

You do not have to agree to exclude, restrict or modify your rights by signing this form. The supplier may refuse to provide you with the services if you do not agree to exclude, restrict or modify your rights by signing this form. Even if you sign this form, you may still have further legal rights against the supplier.

A child under the age of 18 cannot legally agree to exclude, restrict or modify his or her rights. A parent or guardian of a child who acquires recreational services for the child cannot legally agree to exclude, restrict or modify the child's rights.

Agreement to exclude, restrict or modify your rights:

I agree that the liability of ..... [the Provider] for any personal injury that may result from the supply of the recreational services that may be suffered by me (or a person for whom or on whose behalf I am acquiring the services) is excluded.

Further information:

Further information about your rights can be found at www.ocba.sa.gov.au

[3]Recreational services are services that consist of participation in—

- a sporting activity or similar leisure-time pursuit; or
- any other activity that involves a significant degree of physical exertion or risk and is undertaken for the purposes of recreation, enjoyment or leisure.

[4]Personal injury is bodily injury and includes mental and nervous shock and death.

For Victoria

Warning under the *Australian Consumer Law And Fair Trading Act 2012* (Vic)

Under the Australian Consumer Law (Victoria), several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to you—

- Are rendered with due care and skill; and
- Are reasonably fit for any purpose which you, either expressly or by implication, make known to the supplier; and
- Might reasonably be expected to achieve any result you have made known to the supplier.

Under section 22 of the *Australian Consumer Law and Fair Trading Act 2012*, the supplier is entitled to ask you to agree that these statutory guarantees do not apply to you. If you sign this form, you will be agreeing that your rights to sue the supplier under the *Australian Consumer Law and Fair Trading Act 2012* if you are killed or injured because the services provided were not in accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.

NOTE: The change to your rights, as set out in this form, does not apply if your death or injury is due to gross negligence on the supplier's part. ***Gross negligence***, in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the Australian Consumer Law and Fair Trading Regulations 2012 and section 22(3)(b) of the *Australian Consumer Law and Fair Trading Act 2012*.

Agreement to exclude, restrict or modify your rights:

I agree that the liability of the Provider for any personal injury that may result from the supply of the recreational services that may be suffered by me (or a person for whom or on whose behalf I am acquiring the services) is excluded.
